Who we are ...

Suncor is Canada's premier integrated energy company, combining a leading position in oil sands with complimentary operations in refining and marketing, North American natural gas production, and conventional oil production internationally and off Canada's east coast.

Our natural gas marketing group is a full-service wholesale natural gas supply, marketing and trading organization focused on providing superior value for North American gas customers through a reliable and cost effective product-service offering.

Suncor transacts its natural gas marketing and trading business under Suncor Energy Marketing Inc. which is 100% guaranteed by Suncor Energy Inc.
