RE: Suncor Energy Inc. - Proposed Forty Mile Solar Power Project

Dear community member:

We are pleased to share additional information about the proposed Forty Mile Solar Power Project located southeast of the Town of Bow Island in the County of Forty Mile. The project plans have been updated based on what we have heard from stakeholders and by completing additional environmental and engineering studies.

You are receiving this information because you may be interested in the proposed project and we are seeking further feedback on the preliminary plans.

In this information package, you will find:

- a Forty Mile Solar Power Project update;
- a map of the proposed project site titled *Forty Mile Solar Power Project – Project Footprint*;
- a map of the proposed project site showing the locations of potential solar glare and noise compliance titled *Forty Mile Solar Power Project – Glare and Noise*;
- sample visual representations; and
- a brochure from the Alberta Utilities Commission titled *Participating in the AUC's independent review process*.

To ensure your questions and interests are addressed, we plan to maintain regular communications using methods that keep everyone safe during the COVID-19 pandemic.

Thank you for taking the time to review this information. If you have questions or concerns, please contact us at fortymile@suncor.com or at 1-866-344-0178 (extension 2). Our project team is available to meet with you via phone, video chat or in person at your convenience.

Yours truly,

Forty Mile Granlea Wind GP Inc.
