

Subject: **Localized incident at the Montreal refinery – June 18, 2020**

At approximately 11:45 a.m. (ET) today (Thursday, June 18), Suncor responded to a leak at our Montreal refinery. We immediately initiated our response plan, and the leak was contained and stopped.

No injuries have been reported and everyone is accounted for. The safety of our employees, contractors and neighbors is our top priority. We will continue to monitor this situation closely.

Local authorities were notified. We are working closely with them and following our protocols.

Thank you for your understanding.

For information, you can reach the refinery at any time at 514-640-8000.
