

Notice to the Community

Subject: Mercaptan Odour

Date: August 14th, 2020.

Please note that because of work that will take place on our Mercaptan drum, the product that adds a scent to products such as natural gas and propane, it is possible that increased odours could be perceived from time to time. These activities will occur on August 17th, 2020. These odours pose no risk to your health and safety.

This operation could last a few days. The work will be carried out in such a way as to minimize inconvenience to our neighbours and we thank you for understanding and patience.

For all information, you can reach our environmental advisors at 514-640-8000

Important note:

All our notices to the community are posted on the website of the Association Industrielle de l'Est de Montréal (AIEM). You may register on the AIEM website at www.aiem.qc.ca if you want to automatically receive the email notifications from the member industries.

"This notice stems from our social commitment as a member of the AIEM, and its aim is to inform members of the neighbouring community about any incidents likely to have an impact outside our site."
