

## Notice to the Community

---

### **Subject: Mercaptan Odour**

Date: August 14<sup>th</sup>, 2020.

Please note that because of work that will take place on our Mercaptan drum, the product that adds a scent to products such as natural gas and propane, it is possible that increased odours could be perceived from time to time. These activities will occur on August 17<sup>th</sup>, 2020. These odours pose no risk to your health and safety.

This operation could last a few days. The work will be carried out in such a way as to minimize inconvenience to our neighbours and we thank you for understanding and patience.

For all information, you can reach our environmental advisors at 514-640-8000
