

Notice to the Community

January 22, 2019

Subject: Odour issue

Early this afternoon, Suncor responded to reports of odour issues in the area of our Montreal refinery.

Suncor took immediate action to determine the source of the odors.

The information we have collected indicates that there is no risk to the safety of our surrounding community.

As always, our first priority is the safety of our neighbours, employees and contractors.

We thank you for your patience and understanding. We will provide further updates as additional information becomes available.

For more information, please contact at 514-640-8000.
