

Subject: Planned equipment maintenance

Date: August 18<sup>th</sup> 2020

Please note that the Suncor Montreal Sulphur Plant will be proceeding with planned maintenance work on two tanks. The work will begin on the 19<sup>th</sup> of August for approximately 4 weeks.

During the first days of activities, it could be possible that odours may be perceived near our plant during this work. Be assured that this poses no risk to your health and safety.

In keeping with our commitment to the community, the work will be carried out in such a way as to minimize any nuisance and impact to the community surrounding our facility..

These activities are part of our plant's regular maintenance and repair plan, intended to ensure the safe, reliable operation of our plant.

Thank you for understanding.

For further information, you may contact our Environment, Health and Safety group at 514-645-1636.
