Subject: Information relating to the work at the Suncor Rimouski terminal

Please note that we have been carrying out work since September 14, 2020. It should continue for approximately two weeks and will take place from 7:00 am to 6:00 pm.

The execution of the work could at times increase traffic in the Lebrun Avenue sector.

Access to Lebrun Avenue will not be affected by the work, and there will be no traffic obstructions.

The safety of the citizens of Rimouski and of our neighbors is Suncor's top priority.

We thank you for your understanding and patience.
