Step 1: Accessing your profile

- Under your name select “My Profile”
Step 2: Updating your profile

- Once in your profile there are many opportunities to personalize your account by:
  - Adding your T-shirt size
  - Adding your skills and interests to easily find organizations you care about
Step 2: Updating your profile

- Under Account/Profile Settings is a drop-down menu with more opportunities to personalize your account.
- Click through the options to update:
  - Preferred email to receive communications from the SunCares program
  - Your local time zone
  - Notification preferences about Rewards and important dates
  - Search location to target nearby opportunities
  - Default privacy settings
