Independent Auditor's Report

To the Board of Directors of Suncor Energy Foundation

We have audited the accompanying financial statements of Suncor Energy Foundation, which comprise the statement of financial position as at December 31, 2015 and the statements of operations and changes in net assets and the statement of cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

"PwC" refers to PricewaterhouseCoopers LLP, an Ontario limited liability partnership.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Suncor Energy Foundation as at December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Suncor Energy Foundation
Notes to Financial Statements

1. Purpose

Suncor Energy Foundation (the "Foundation") was incorporated under Part II of the Canada Corporations Act as a not-for-profit organization on November 8, 1996 and commenced active operations in April 1998. The Foundation was issued a certificate of continuance under the Canada Not-for-Profit Corporations Act on January 3, 2014. The Foundation is a registered charity under the Income Tax Act of Canada and accordingly, is exempt from corporate income tax.

The Foundation's purpose is to manage the contributions of Suncor Energy Inc. and its subsidiaries' (collectively "Suncor") to areas of corporate interest. Areas of corporate interest include Cultivating Community Leaders, Inspiring Innovation, Engaging Citizens, Building Skills, Local Relationship Investment and Knowledge and Collaborating on our Energy Future.

Suncor is the sole contributor to the Foundation and the Foundation is economically dependant on Suncor. The contributions from this entity are directed towards areas of corporate interest through Canadian registered charities.

The Foundation is also registered under the Charitable Fundraising Regulation of Alberta and has considered all required disclosures under Section 7(2) of Regulation in preparing the financial statements.

2. Summary of Significant Accounting Policies

These financial statements are prepared in accordance with accounting standards for not for profit organizations as set out in Part III of the Chartered Professional Accountants Handbook, as issued by the Canadian Accounting Standards Board.

Use of estimates

The financial statements of the Foundation have been prepared in accordance with Canadian generally accepted accounting principles which require management to make assumptions and estimates that affect the reported amount of assets, liabilities, revenues and expenses. Actual amounts could differ from those estimates.

Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Interest income is recognized as revenue in the period it is earned.

Cash and cash equivalents

Cash and cash equivalents include deposits with banks and short term investments with original maturity of less than 90 days.

Donated services

A portion of the Foundation's work is dependent on voluntary services. As a result of the difficulty in determining their value, these contributed services are not recognized in the financial statements.

**Suncor Energy Foundation
Notes to Financial Statements**

3. Financial Instruments

The Foundation initially measures financial assets and financial liabilities at their fair value. It subsequently measures all its financial assets and financial liabilities at amortized cost. The financial assets of the Foundation include cash and cash equivalents, interest receivable, prepaid expense and GST and other receivable. The financial liabilities measured at amortized cost include accounts payable and accrued liabilities, payable to Suncor Energy Services Inc. and payable to Suncor Energy Inc.

The Foundation is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Foundation's risk exposure and concentration.

Credit risk

Credit risk arises from the potential that a counter party will fail to discharge its obligations. The Foundation does not consider that it is exposed to significant credit risk.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Foundation does not consider that it is exposed to significant liquidity risk.

Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Foundation does not consider that it is exposed to significant market risk.

Interest rate risk

The Foundation maintains its cash and cash equivalents in interest bearing accounts and term deposits, which are subject to interest rate changes depending on prevailing rates and the length of time the Foundation invests the related cash.

4. Pledged Donations

Long term pledged donations are often made; these pledged donations are not recorded in these financial statements. While future donations are expected to be funded through future contributions from Suncor, the Foundation does manage the risk associated with these pledged payments by holding short-term investments to mitigate any potential impact due to a decrease in funding from Suncor.

The amounts pledged at December 31, 2015 are comprised as follows:

2016	8,617,525
2017	3,259,000
2018	1,004,000
2019	400,000
2020	-
	<u>13,280,525</u>

**Suncor Energy Foundation
Notes to Financial Statements**

5. Related Party Transactions

Suncor Energy Inc. controls the Foundation by virtue of its ability to appoint all of the Foundation's Board of Directors (the "Board"). The Foundation's Board is comprised of Suncor senior leaders representing various business and functional units. In addition to being responsible for managing the Suncor contributions, the Board also sets the strategic direction of the Foundation, makes decisions on grant requests in excess of \$50,000 and evaluates the performance of the contributions made. During 2015 Suncor Energy Inc. contributed a total of \$4.5M to the Foundation (2014- \$19.53M).

Suncor Energy Services Inc. a wholly owned subsidiary of Suncor Energy Inc. provides office supplies and facilities, IT services, employees, accounting services and use of the company airplane to the Foundation. During the year, the Foundation recorded expenses related to these services, which are recorded in the financial statements as follows:

	2015	2014
Salaries and Benefits	786,034	833,822
Travel	963	48,157
Rentals - office space and furniture	70,253	69,377
Other	4,532	112
	<u>861,783</u>	<u>951,468</u>

These transactions were completed in the normal course of operations on normal market terms and are measured at the exchange amount.

Receivables and payables from/to the related parties are unsecured, non-interest bearing and have no fixed terms of repayment.

6. Government Remittances

Accounts payable and accrued liabilities include government remittances payable of \$nil (2014 - \$nil).
