NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

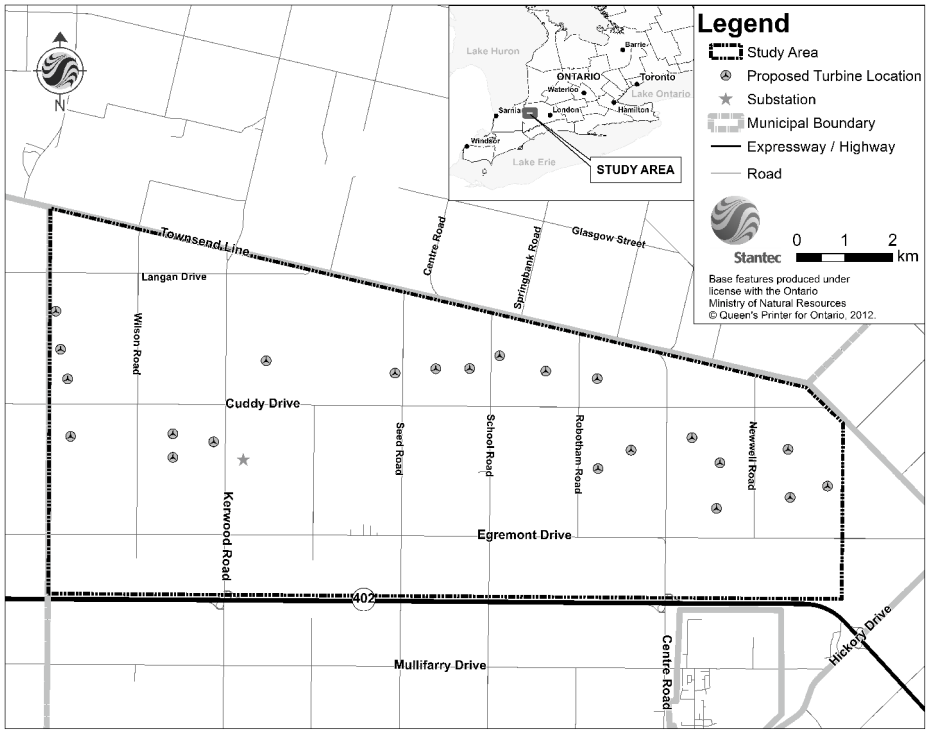
Regarding a Proposal to Engage in a Renewable Energy Project by Suncor Energy Products Inc.

Project Name: Suncor Energy Adelaide Wind Power Project (the Project)

Project Location: Municipality of Adelaide Metcalfe, County of Middlesex

Dated at: the Municipality of Adelaide Metcalfe this the 15th of April, 2013.

Suncor Energy Products Inc. is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The proposal to engage in the Project and the Project itself are subject to the provisions of the *Environmental Protection Act* of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation following posting of the Project on the Environmental Registry.



Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the Project is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum nameplate capacity of 40 MW and consist of up to 18 wind turbines. The Project would also include access roads, meteorological tower (met tower), electrical collector lines, and a substation which would connect the Project with the provincial high voltage transmission system. The proposed Project will be located within the Municipality of Adelaide Metcalfe, County of Middlesex. The area is located west of the City of London, as described in the attached map.

Suncor Energy Products Inc. has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Copies of all final submitted documents are available for public inspection at: www.suncor.com/adelaidewind

Environmental Bill of Rights 1993:

A proposal for a Renewable Energy Approval in respect of this renewable energy project has been posted on the Environmental Registry (www.ebr.gov.on.ca; Registry Number: 011-8848) referred to in Section 5 of the *Environmental Bill of Rights, 1993* and comments in respect of the proposal may be submitted to the Director. All comments received prior to May 30, 2013 will be considered as part of the decision-making process by the Ministry of the Environment if they are submitted in writing or electronically using the form provided in the Environmental Registry notice.
